CRESTLINER

THE LEADER BY INNOVATION

CRESTLINER

THE LEADER BY INNOVATION

There's something enticing about uncluttered beauty and smooth, unbroken surfaces. We're referring to the boats, not the scenery. For years Crestliner has been the leader in all-welded aluminum boats. And the leader by innovation. Whatever style of fun you enjoy on the water— fishing, cruising, skiing, taking in the sights or a little of each— the time you spend on the water will be more satisfying in a Crestliner. No one packs more features style or value into their boats.

No one has developed more boating innovations. And no one backs their boats and protects your investment better than Crestliner with our industry-leading 20 year warranty. So sit back and cruise through the pages of our catalog. You're sure to find the Crestliner model that's perfect for you.

Then, come see it in person at your local Crestliner dealer. You can talk directly to the dealer nearest you just by dialing 1-800-889-7020 ext. 111.

EAGLE 2160 - 2450

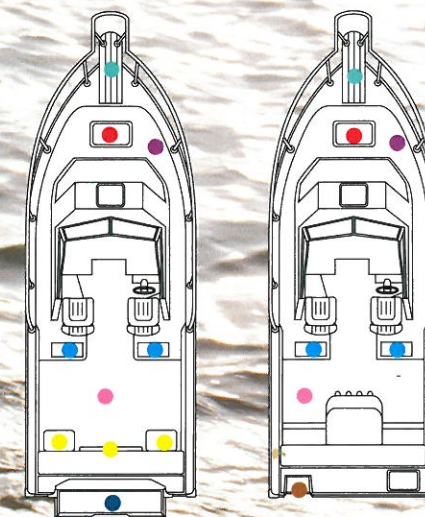

There's no experience quite like taking on big water and big fish with the big time performance of a Crestliner Eagle. The Tru-V 17° V hull slices through the roughest seas while you cruise or fish in comfort and style. SST models feature aft hideaway table and seats that pop up or down in seconds. Sterndrive models carry our patented Pocket that gives you total control of a kicker motor right from the helm. The walk-around deck means easy bow access for

outrigger fishing, docking or loading. The cabins are built for comfort with padded cushions, screened hatch and storage galore. Choose the hardtop option and we'll include a built-in electronics compartment, rocket launchers and cockpit spotlights. The dual fishwells, large capacity fuel tanks and Crestliner's UniWeld hull design with the 20 year warranty[†] make Eagles unquestionably the finest big water boats you can own.

[†]Against failure of external hull welds

1960 PHANTOM SST

PHANTOM SST 1860 - 2160

The Phantom SST combines the quiet, sleek lines and style of a fiberglass boat with the strength of aluminum and the innovation of Crestliner. Our exclusive SST (Space Saver Transom) gives you more cockpit room for all-day comfort. The fold-up stern seat is standard. So is our patented conversion bow, the fastest way on water to turn a sporty runabout into a fishing machine complete with tackle trays, locking rod storage and ICU fishwell with our Auto timer that

mixes and aerates new water every few minutes. The bow-mounted trolling motor panel with courtesy light includes room for fish finder, accessory gauge, and trolling motor hookups. Also standard are the sun top, 12-volt power outlet, AM/FM stereo cassette, tilt steering, sunlounge, under console storage and Dock-Gard gunnel bumper to protect a great looking Crestliner graphics package. Everything you need to relax, and cruise in stylish comfort.

SPORTFISH I/O 1750 - 2050

No boat delivers more big water family fun. The Sportfish I/O is preferred hands-down by families who buy aluminum fish & ski boats. It's a smooth-riding cruising and ski boat that still has features enough to also make it a great rig for fishing. Our Bow Conversion changes from open seating to fishing platform in a flash. Our unique Dock-Gard gunnel bumper protects your boat against damage from other boats, docks and rough water. And the Sportfish has

an ICU livewell with Auto timer that mixes and aerates water every few minutes, bow trolling motor panel with courtesy light and space for fish finder, accessory gauge and trolling motor hookups. There's also an AM/FM cassette, 12-volt outlet, our 20 year warranty¹ and lots of storage for skis, rods and toys with optional sun top, canvas cover. So introduce your family to big water action with a Sportfish I/O. Then get ready to make some waves this summer.

SPORTFISH O/B 1650, 1750

Family fun is as close as your nearest lake when you hitch up to a Sportfish. As easy as it is to trailer, the smooth-handling, dry-running Sportfish packs in more than enough standard features to make it an ideal choice for families on the go who love cruising, skiing and fishing. Features like our Conversion Bow, ICU livewell with Auto timer that mixes and aerates water every few minutes, trolling motor panel with courtesy light, motor hookups and space for accessory gauge, AM/FM cassette, built-in fuel tank and extra cockpit

space. An optional electronics package that includes bow-mounted trolling motor and fish locator is available. The roomy stern casting platform has an aerated livewell and extra seat bases. Mega-storage includes room for skis, space under both sides of the console and rod locker. No boat stretches the summer and your family's options for fun like a Crestliner Sportfish O/B.

SPORTFISH O/B 1850, 2050

Even families that take their fishing seriously like to kick back once in a while and enjoy some time skiing or cruising. If you're like that, you'll love the Sportfish 1850 O/B. It's long on fishing features yet gives you plenty of room to stretch out and relax. Stroll through the walk-through windshield to our Bow Conversion feature that changes quickly from roomy casting platform to plush, open seating. Notice the features like ICU livewell with Auto timer that mixes and aerates water every few

minutes, trolling motor panel with courtesy light and space for fish finder; accessory gauge and motor hookups, AM/FM cassette, rear casting deck with aerated livewell, rod storage and rear seat bases for extra seating options. Travel cover and sun top are optional. Our 20 year warranty¹ means you're set for fun until at least the year 2017.

RAMPAGE 2000

In the past, deck boats have delivered lots of fun along with a ride that's a bit bumpy and wet. But the innovative hull design of the Crestliner Rampage gives you more features and value with a ride that's smooth and dry. Team that with the unmatched Crestliner 20 year warranty¹ and you've got a rig that leaves the others in its wake. The Rampage gives you lots of other Crestliner extras like acres of dry, sealed storage, ski and rod storage, virtually indestructible Roto-Cast furniture, mega-

sized ICU livewell up front with Auto timer that mixes and recirculates water every few minutes and baitwell with removable bait bucket. The Rampage boasts four fishing seat bases, two lower and two on the bow casting platform, and lounge seating with a table. The all-welded Rampage can be prewired with an optional 12/24-volt trolling motor outlet and has bow safety hand rails. Strap yourself into a Rampage from Crestliner and run a little wild this summer.

2485 LSi

LSi 2085 - 2485

Most of the time being somewhere isn't half as much fun as getting there. Wherever you go, you're guaranteed to have a blast when you're cruising on an LSi pontoon. The LSi is comfortable, plush and loaded with innovations. The Roto-Cast furniture is almost indestructible. There's a convenient drop-down privacy room that's available with a Porta-Potti. Up

front, you'll find plush, inviting bow seating and an optional gas grill. Or, add an optional fold-down sleeper sofa, then stretch out and relax. The rugged Roto-Cast helm has a cooler, sink and plenty of gear storage. The LSi has a bimini top, full 8 1/2' beam, custom dash, courtesy lights, Dock-Gard gunnel bumpers, AM/FM stereo cassette and under-deck splash guards for a ride that's smoother and quieter than any other pontoon on the market.

2085 CFI

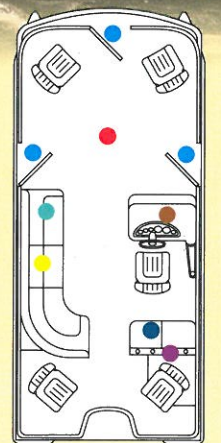

C F i 2 0 8 5

If you like your fishing family style, the CFI pontoon is made for you. The 8 1/2 foot beam is standard and gives everyone plenty of room to move around or cast. Pick a rod from the built-in rod holder; stroll over to one of four well-placed fishing seats and you're ready to fish. Other features include a built-in 17-gallon fuel tank,

rugged Roto-Cast furniture, ICU livewell and bimini top. The galley is complete with sink, faucet and a place to store a cooler or more gear. The Roto-Cast console has extra storage and windscreen. A drop-down privacy room is available with optional Porta-Potti. Also optional is a front gate for trolling motor access. Despite all these features and innovations, you may be most impressed by what's behind the CFI, our industry-leading 20 year warranty¹ with limited lifetime warranty on the deck.

2080 SPORT
(SHOWN WITH OPTIONAL CRUISING PACKAGE)

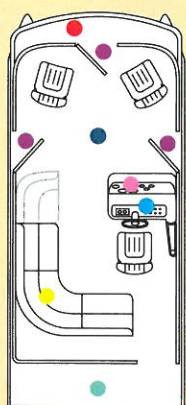

S P O R T 1 8 8 0 - 2 0 8 0

Our Sports are compact in size and price but leave nothing to be desired in performance, comfort or features. The basic Sport is rigged with driver's seat, rugged Roto-Cast helm and custom dash. Then, opt for our fishing package with fishing chairs up front or our cruising package with plush bow seating. With either package, you get comfortable "L" stern seating and the option of adding a corner wrap seat for even more room to relax. The rugged Roto-Cast furniture stands up to active families and

the bimini top, rear-entry gate and graphics are standard. So are the smooth-running Hydro-Tech transom, streamlined looks of the radius bow and Dock-Gard gunnel bumper. The 23" tubes have full-length keels. So, come see why families say, inch for inch the Sport delivers more value than any pontoon on the water.

CRUISING PACKAGE

FISHING PACKAGE

1880 SPORT
(SHOWN WITH OPTIONAL FISHING PACKAGE)

CRESTLINER, THE BEST BOATS AND PONTOONS MADE, BAR NONE.

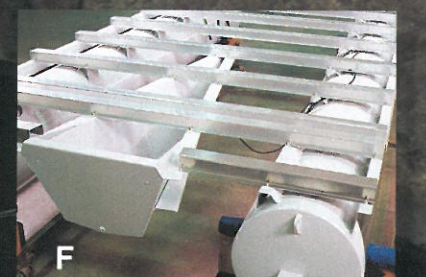

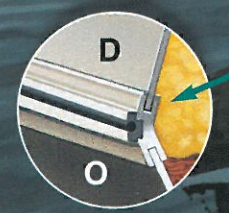

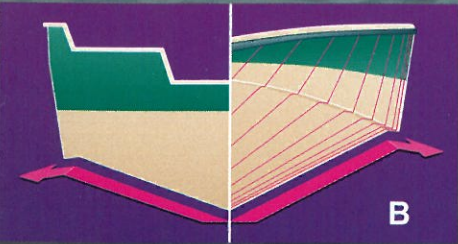

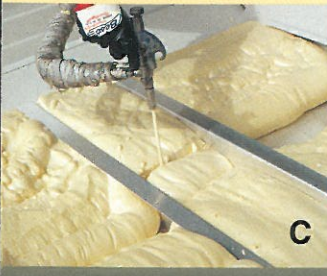

If you want to know which boat is the best on the market, just compare warranties. After all, nobody knows a boat better than the people who build it. No one will give you a warranty that lasts longer than their boat. And no boat has a stronger warranty than Crestliner. So, compare performance, style,

innovation and then compare the fine print. Once you do, you won't be satisfied owning anything less than a Crestliner.

A Rivet-free Tru-V hull with UniWeld construction and 20 year warranty; **B** Reverse-chine construction gets the boat on-plane faster and delivers a dryer ride; **C** Balanced closed-cell foam meets or exceeds Coast Guard regulations; **D** Seams welded with our exclusive tongue-in-channel system to strengthen the bond; **E** Specially treated panel decks are finished with marine-grade carpet or vinyl and carry a limited lifetime warranty; **F** Intricate stringer superstructures strengthen and support every inch of a Crestliner; **G** Aerated baitwells come

complete with removable bait pails on some models; **H** Casting platform with roomy storage compartment; **I** ICU (Intensive Care Unit) livewell aerates incoming water to keep fish alive longer and the unit is complete with Auto timer that mixes and recirculates livewell water every few minutes and includes a cigarette-lighter style plug to run additional equipment (not shown); **J** Extra seat base in the stern on many models; **K** Seat pedestals reinforced with an aluminum below-deck

plate for stability and durability; **L** Non-glare dash with windscreen and instrumentation; **M** Storage areas for batteries and other equipment; **N** Fishing seats with removable cushions; **O** Dock-Gard gunnel bumpers; **P** Full length extruded keel delivers better tracking and durability; **Q** Smooth-sided style and great graphics; **R** Bow-mounted trolling motor panel with courtesy light, motor hookups and space for fish finder and accessory gauge.

PRO AM 1850

A pro angler's favorite rig isn't always the one he's paid to fish in. It's the one that delivers the features, performance and style to make you look like a pro even when nothing's biting. The Pro Am 1850 delivers on all counts. That's why it's preferred by more tournament pros. Everything about the Pro Am is engineered for the serious angler. The Roto-Cast storage is roomy, dry and easily accessible. The aerated and huge, dual competition-sized ICU

livewells with built-in bait bucket aft feature our Auto timer that aerates and mixes the water every few minutes. Also standard are rear fishing platform, rod box, Tru-V 17" hull, rivet-free UniWeld hull design with 20 year warranty[†], higher bow design for dry running in big water and bow trolling motor panel with courtesy light and room for fish finder, accessory gauge and motor hookups. It's no contest when it comes to the rig preferred by serious, successful anglers.

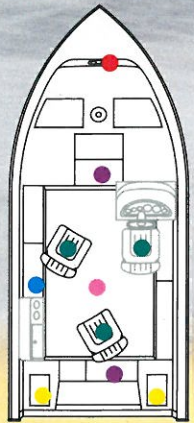

[†]Against failure of external hull welds

STANDARD: ● Battery and oil tank storage ● Bow trolling motor panel w/ courtesy light & space for accessory gauge and fish finder ● 30-gal. & 28-gal. ICU livewells w/ Auto timer and removable bait pail ● Flat-topped rod lockers ● Fishing chairs (2) ● Tru V 17" UniWeld hull w/ 20 year warranty!

- Safety hand rail
- Treated floor w/ lifetime warranty
- Carpeted floor
- Dock-Gard gunnel bumper
- Deluxe side console w/ windscreen (SC model)
- Deluxe console w/ electronics compartment (tiller model)
- Rod savers

OPTIONAL: ● Electronics package ● Battery charger ● Tilt steering ● AM/FM stereo cassette ● Power pedestal ● Port console with windscreen

PRO AM 1750

More compact than our 1850 model, the Pro Am 1750 is plenty long on serious fishing features. It has our innovative ICU livewell with Auto timer that recirculates and aerates water every few minutes and storage virtually everywhere. There's an electronics compartment on tiller models, storage up front, custom bow trolling motor panel with courtesy light and room for fish finder, accessory gauge and motor hookups,

locking flat-topped rod storage with rod savers and rugged Roto-Cast dry storage bow. The plush fishing seats are rugged with removable cushions. All these features are built on our Tru-V 17" V hull with high-profile bow that runs dry and smooth to easily handle the choppiest waters. Available in tiller and console styles. Both are pre-wired for trolling motors and rigged for serious fishing fun.

FISH HAWK 1750

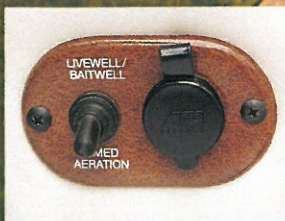

Incredible value is just one of the innovations that have made this affordable Fish Hawk 1750 the hottest boat around. All models feature the smooth-riding Tru-V UniWeld hull design with 20 year warranty¹, bow trolling motor panel with courtesy light, motor hookups and room for fish finder and accessory gauge, ICU livewell with Auto timer that mixes and aerates the water every few minutes, baitwell, huge livewell, battery

storage aft, easy-access lockable rod locker and plenty of storage bow to stern. These beamy Fish Hawks have extra floor space and stability so you feel comfortable and confident moving around and casting under any conditions. Their lighter weight means Fish Hawks respond and perform even with smaller engines and makes them ideal for getting into remote, fish-laden lakes with less than perfect landings.

Here's a basic boat that's every bit as uncommon as common sense. As a matter of fact, no boat in its class makes more sense. The Fish Hawk 1650 is built on our Tru-V UniWeld hull. It comes in tiller and console models and carries our 20 year warranty¹, still the leading protection plan in the industry. Fish Hawks are packed with other uncommon features including bow trolling motor panel with courtesy light, trolling motor hookups and space for accessory gauge

FISH HAWK 1650

and fish finder; four large bow storage compartments, rod savers, bilge pump, great graphics and an electronics package option. The Fish Hawk's 21-gallon ICU livewell has an Auto timer with 12-volt power outlet. The comfortable seats are fitted with removable cushions. The dash on the 1650 console model includes windscreen. One look at a Fish Hawk and your definition of a basic boat will never again be the same.

The 16 Fish Hawk simply packs in more features and value than any competitive boat in its category. Period. Start with the rugged, all-welded Crestliner quality aluminum hull that gives this boat an extra measure of stability and dependability. There's a pre-wired trolling motor outlet, auto timer on the livewell and a 12-volt power outlet standard. Try finding that on any so-called competitive boat. Rod locker, carpeted floor and exclusive ICU livewell are standard features, too. And this rig

also has an unbelievable amount of space to stow gear, including plenty of roomy bow storage. Take a boat with the quality and features of the 16 Fish Hawk, give it a smooth-sided design with eye-popping graphics, wrap it all up with the industry's leading protection plan, our 20 year warranty,¹ and you've got the kind of innovative, value-packed, affordable fishing package that could only come from the innovative folks at Crestliner.

1600 PRO 1700 PRO 1750 TOURNAMENT PRO 1800 PRO

PRO 1600 - 1800

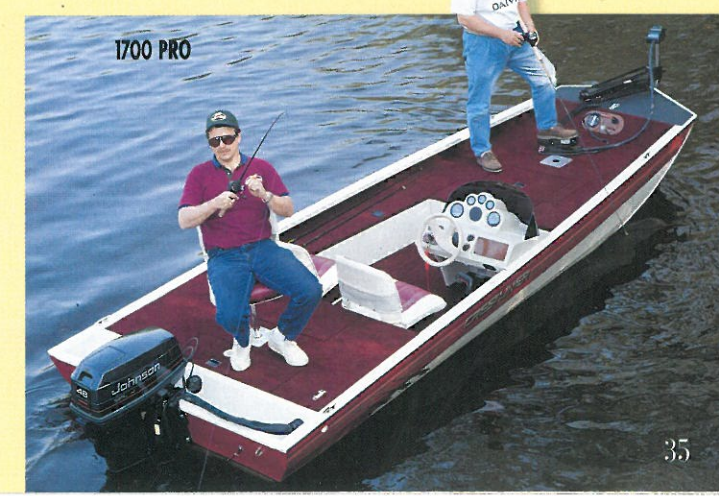

Get all the function and performance of a bass boat in a rig that's built on a rock-solid, rivet-free, all-welded hull. The Pro has been designed with the same hard-nosed quality as our big water boats. That means you get more than enough strength and reliability to handle rivers, marshes and rough backwaters. And Pros don't skimp when it comes to comfort or performance features. They give you all the extras that make it a pleasure to spend all day dragging hawgs out

of the weeds. Features include roomy casting decks, deluxe consoles, built-in rod holders, livewell with Auto timer, extra storage for rods and other gear, 3 fishing seats and 4 bases. The 1700, 1800 and 1750 add bow trolling motor panels, a second livewell and dry Roto-Cast storage. And every Pro carries the Crestliner 20 year warranty¹, the best in the market. Add it all up and it's no wonder that the solid Pro continues to be the industry's leading all-welded aluminum bass rig.

KODIAK 14 - 18

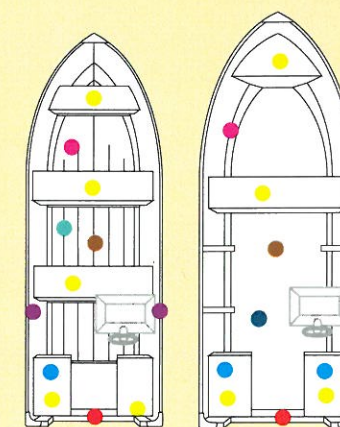

The Kodiak line gives you real Crestliner innovations and value in sharp little rigs that are tough and dependable. That's why they've become a favorite with resort owners and anyone who appreciates real value. The Kodiaks have heavy-gauge aluminum Tuff-Weld hulls and welded keels. The corner seats in the stern give you plenty of room to move around the engine. The Kodiak 18 model also features

a non-skid vinyl floor, and extra storage room in the cockpit. They also give you the option to add console steering right from the factory. Naturally, Kodiaks are covered with our industry-leading 20 year warranty¹. Sharp Kodiak graphics provide a look that makes these minimum-maintenance boats a far greater value than any comparably priced rig. Affordable boats with quality and innovations that could only come from Crestliner.
